

CARD4

Wallenberg the rescuer

After each one of you have taken notes based on one of the points here, discuss the different points and complete Card4 together as a group.

1. How did Wallenberg and his collaborators save people? What kinds of methods did they use? (List as many as you can)

2. What kind of features and characteristics of Raoul emerge from the testimonies?

3. Different names, persons, officers, groups of people are mentioned during the clip. Try to list them all. What did they do? Identify their role(s) and behaviors in the story and in the Holocaust (for example: victims, survivors, perpetrators, bystanders, rescuers). Some of them can be put in more than one category.

4. Try to define the following words using your previous knowledge and the video clip

death march:

Schutz-Pass:

working paper:

yellow star:

protected houses:

Hungarian Nazis:

embassy:
